ATLAS update November 2024

YOUR FRIENDS DO NOT FORGET YOU

Business Sponsor for this month – Dooleys Lidcombe Catholic Club

Welcome to the November 2024 update.

ATLAS is supporting emergency health care funding for an infant girl.

Baby Jenifer is a four-month-old baby girl from the districts of Timor, who was diagnosed with hydrocephalus and required urgent surgery and treatment in Kupang at the cost of USD 5000.

Sister Inacia (Carmelite Sister) contacted ATLAS to see if we could assist in some way to support baby Jenifer as the urgently needed medical assistance was not available in Dili.

Under ATLAS' Social Development Policy for emergency situations, we were able to assist using funds left over from the flood relief appeal held two years ago.

Baby Jenifer is now on her way with her family and Sister Inacia to Kupang to prepare for the surgery.

Please keep baby Jenifer and her parents in your prayers.
